## What we have achieved?

We are working to establish the location of Queen Boudica's last battle including research and documentary evidence and have created the Roman Mancetter Visitor Centre with exhibits, tours, and educational talks, based at St Peter's Church, Mancetter.

We created a canal-side garden beside the Coleshill Road Bridge (now maintained by the Canal and River Trust)

We restored and enhanced Bentley Pound, and placed an interpretation board there and at Bentley Chapel

We've published guides and books, including 'Once Upon a Time in Atherstone', 'Atherstone: A Pleasantly Placed Town', 'Roman Mancetter, the 'Atherstone Town and Country Trails', 'A Short Guide to Roman Mancetter' and 'Boudica at Mancetter'.

We surveyed the historic core of the town and researched the history of 192 buildings. The database can be searched online at [www.ourwarwickshire.org.uk](http://www.ourwarwickshire.org.uk).  
(under 'Atherstone House Histories'.)
